RE: 2022-2023 Funding Requests

The Community Impact Committee has approved the list of required documentation for the new Funding Request Packets. One copy of the following information will be needed by e-mail no later than January 17, 2023 to review your request along with the information described in the grant application packet. A maximum of \$20,000 can be requested per proposal being submitted.

- A cover sheet with your name, address and contact information
- Completed application
- 990 (If not on Guide Star)
- Audit or financial review (If smaller agency, an internal operational budget may be considered)
- Current Board list, by-laws, mission statement
- Anti- Terrorism Compliance Measures
- End of Year Funding Report and questionnaire
- Annual Report of your agency and programs (Or letter including your updates and accomplishments)
- Your complete proposal & all materials requested above!

A team or member of the investment committee will contact you to schedule a visit to discuss your request. A recommendation will be given to the full Board of Directors at the March meeting for approval.

Please let me or Paula VanTyle-Smith know if we can be of any assistance. We will be more than happy to help you with any challenges!

Kindest Regards,

Zella Taylor, Executive Director
